DODGERS HELPLESS BEFORE ATTACKS

Shore Is Pitcher Who Adds Finishing Touches to Brooklyn's Downfall,

BOSTON. Oct. 12.—The Boston ducers had made their introductions of the introduced, Mr. Davenport took thampionship laurels of the baseball open-face manner said: championship laurels of the baseball universe upon their brows here this afternoon when they defeated the Brooklyn Nationals, 4 to 1, in the fifth and final game of the world's series of 1916. The greatest gathering in the history of the American pational sport witnessed the victory, 42,629 fans departing after the contest, convinced that the Red Sox were the baseball machine par excellence of recent years.

As a result of the four games to one conquest over the standard-bearers of raved on and on and on. Like the

OKLAHOMA CITY, Oct 12.—Oklahoma state banks have individual deposits of \$60-643,1119.08, by far the largest deposit ever before held by these banks, according to the consolidated statement issued by J. D. Lankford, bank commissioner, showing the condition of the banks as of September 12. There are only 552 banks, which is a slight decrease in number since the last report in June The statement shows an increase in The statement shows an increase in individual deposits of more than \$8,000,000 since the last report. A new mark for resources—\$77,895. 016,15—is also set. The unusual deposit figure is made possible because most of the crops are harvested, and at high prices, and farmers all over the state have sold an unusually large number of live stock at higher prices than ever before. The average reserved is 27.5, much higher toan the banks much better than has ever been made before.

TAW ASKS LIFE.

present and wearing clean collars in honor of the event.

Chairman Norvell, fully conscious of the importance of his position, carried out the old-fashioned rally idea to the letter by giving the eagle a couple of twists by the tail and singing the "Star-Spangled Banner' in a muffled tenor voice. Later in the evening there were more evidences of old-fashionedism when the fellow you can never keep still yelled at the top of his voice: "Tell 'em about it! Whoopee!"

Mr. Norvell introduced Pat Malloy and while the latter occupied the cen-

TALKED ON AND ON If Prolonged Paralysis or

Senator Who Was Head liner Was "All About," Though in His Apparel.

THE secret is out. Senator J. Ham Lewis did not ome to Tulsa to make votes for Wilson. His mission here was to draw a crowd for Congressman Jim Daven-

port, candidate for re-election.

Truth outdid itself at the Demo-cratic meeting in Convention hall last night when, after the various intro-ducers had made their introductions

baseball machine par excellence of recent years.

As a result of the four games to one conquest over the standard-bearers of the National league, Boston is tonisht eelebrating its fifth victory in world's series since 1903 and there is added joy in the fact that never in its history has a Boston team been forced to how to the superior process of affival in such combat.

The victory over Brooklyn in the final meeting of the teams was so clean cut and declaive that there was left no ground for argument. That the better team won the champions ship despite the determined battles put up by Brooklyn in the earlier games of the series, was obvious. Before the speed and curves of Ernest Shore of East Bend, N. C., the Brooklyn games of the series was obvious. As a committee of follow-Demogrative was a wouthful canine and just when games of the series, was obvious. As a committee of follow-Demogrative was a wouthful canine and just when games of the series, was obvious. As a committee of follow-Demogratic provided in the determined battles and introduced in six words the speakly in were well night helpless, while Jeff Preffer, the last hope of Brooklyn, proved unequal to the task of holding the Red Sox in check.

Although the Nationals were first to score, their advantage was shortlived, and once the Bostons unlimbered their heavy hattling artillery any doubt regarding the outcome of the game was dissipated, so closely did Shore held the Rooklyn claim in the game was dissipated, so closely did Shore held the Rooklyn claim in the surface of the natical provided the services and the possibility of serious freight consection of shipping along the Atlantic Such carporation of shipping along the Atlantic Such carporation of shipping along the Atlantic Such carporation of the guarded in connection with the Ubout raid Such carporation of the guarded on and on and on and on. Like the sanded time, the began to appear that the dealers of time, the guard on and on. Like the sude of time, the probability of serious freight consectio

Although the Nationals were first to score, their advantage was short lived, and once the Bostons unlimbered their heavy latting artillery are doubt regarding the outcome of the game was dissipated, so closely dishore held the Brooklyn clan in the misslery of his deceptive delivery.

The invader's from Greater New York were able to musk only three hits for a similar total of bases and the solitary run scored was uncarded the solitary run scored was uncarded and an out, and a passed ball. Boston on the other hand, collected ten hases on seven hits, and two of its four time were earned.

Enthusiasm Lacking.

Although the contest was played before a record throng of fans there was only a moderate amount of enthusiasm because of the chilly weather and the case with which the Red Sox disposed of their opponents. The 42-520 spectators who paid \$83.83.73 to witness the triumph of the American learne champions, came prepared for the November-like weather. Overcoats, furwarps, heavy gloves and, in fact, everything except ear muffs, were much novidence.

Aside from Shore's clever cold-weather hurling and a sensational Deposits is Stupendous Record.

NEY FOR BROOKLYN TEAM, IS ANNOUNCEMENT,

ocal Millionaire Was Formerly Prime Mover of the Federal League, Now Defunct.

BOSTON, Oct. 12.—Harry F. Sin-clair, the oil man of Tubsa, Okia, and former Federal league club owner, may buy the Brooklyn baseball club with James F. Gaffney of New York. It was reported here that daffney already has been in communication with Sinclair, and that the pair shortly will make a big offer for the Brooklyn team. MOOTED QUESTION

it was not long ago that Gaffney and Sinclair came near buying the New York Guants.
Charles H. Ebbets said after the game today that his club is still for sale and that he would sell if he got bla ories.

50 CONVICTS WILL BEGIN WORK SOON LOUISVILLE, Ky., Oct. 12.—

Scheduled to Arrive Here Tomorrow or Sunday for Road Construction,

ROAD CRUSHER BUSY

Improvement on the Ozark Trail From This City, to Begin Within Week.

THE fifty convicts from the state penitentiary at McAlester, who are to be used in the construction of Tulsa county roads, will arrive in this city tomorrow or sunday. They will be accompanied by several prison

One-half of the convicts will be employed at the rock crusher three miles west of the city, which has been leased by the county commissioners. The others will be put to work on the

resultant restraints on American interests may become a serious consideration.

Vessels Slipping Away.

NEW YORK, Oct. 12. — With all lights extinguished the steamship Adriatic of the White Star line, earrying 353 passengers and 18,000 tons of war munitions, was believed tonight CONTINUED ON PACE SIX

Links side of Keystone.

Work to Begin Soon,
Improvement work on the Ozark Trail from this city east will begin within a week or ten days. To obtain crushed rock for this road the small rock crusher owned by the county and which has been located near Red Fork has been moved to the Avery farm, six miles east of the city.

The crusher has a capacity of about

The crusher has a capacity of about seven yards of rock a day, supplying crushed rock for about three hundred feet or road a day. About twelve men will be employed at this crusher.

The cost of improving the Ozark Trail will be small to the county The rock will be hauled from the crusher at the expense of Cyrus Avery and I at the expense of Cyrus Avery and J. M. Crutchfield, thus making the dis-tribution of the material the only cost to the county.

NEWS ODDITIES Bits Which Shatter the Theory That There's Nothing New Under the Sun.

BAYONNE, N. J., Oct. 12.—One man CHISHOLM, Minn., Oct. 12.—Rewounded, two of them so seriously they are not expected to live, in a pitched battle here late today between striking employes of the Standard Oil company and the police. The fight was the culmination of a series of discurrbances that began Wednesday and continued throughout last night and today. New Jersey militiamen back to be speeding south from this port, well within the three-mile zone of safety. Her announced destination was Liverpool and her course to that

was Liverpool and her course to that city would lead east from Sandy Hook. She apparently followed in the wake of the freight-laden Pannonia and CHICAGO, Oct. 12 .- A new "ab-Sent-minded professor" joke caused smiles at the University of Chicago today. Prof. Percy H. Boynton had enthusiastically addressed a class in The Danish vessel Hellig Olav, more English. Then he mentioned one of

venturesome than the British steam-ers, took the easterly course after the textbooks. A girl asked him the clearing the bar. They were the first vessels to leave New York for Euro-pean ports since the submarine raid it, but I can't recollect the name of the textbooks. A girl asked him the "I—I'll be blest if I know. I wrote it, but I can't recollect the name of it, but I can't recollect the name of it," answered the professor.

Hoynton's book,"
The class filed out, snickering.

RICHMOND, Ind., Oct. 12.—The train to which the president's car was attached backed into a crowd here and several persons nearly were caught under the president's car. John Q. Slye, a secret service man, pulled one woman out of the way just in time. time.

7 o'clock.

No British nor French cruisers which might act as convoys were sighted, although it was believed they might pick up the liner after she was forced to leave the three-mile limit.

There were four Americans among the 38 passengers in the Adriatic's first cabin. Two other American citizens. Filipinos, also were aboard. EDGEWATER, N. J., Oct. 12.below the control of first cabin. Two other American citi-zens, Filipinos, also were aboard. There were 108 passengers in the secend cabin and one hundred in the steerage. There were no cheery fare-wells at the pier as the steamer cast-off and most of these aboard were serious looks. Her lifeboats were

OLD KENTUCKY COMES ON FOOT TO HEAR HUGHES

Men and Women, Bare footed and Smoking Clay Pipes, Cheer Nominee,

SPEAKS IN CORN FIELDS ON TRIP

Tells Them Wilson's "New Freedom" Is "New Slavery" Now Instead.

Mr. Hughes spoke in six towns to day to andiences that had come for the most part for miles to bear him They came down from the mountains They came down from the mountains, men and women on foot, on horse-back and on muleback. Some of the mounts had saddles, some had none, and many of the women that came to hear him came wearing their faded sunbonnets and smoking their clay pipes as they listened. At Pike-ville, first stop of the day, hundreds had journeyed since sunup. A special train from Marrowbone, crowded to enpacity, swelled the crowd.

Talks in Corn Field.

Talks in Corn Field.

At several stops the nomince's spe-cial train was backed down a spur track and he spoke to audiences in open fields. They sat on their borses and mules and in their farm wagons to listen. Some brought their fam-ilies along and there were several hundred children, including babies in their mother's arms, in each of these their mother's arms, in each of these

leased by the county commissioners. The others will be put to work on the Tulsa-Keystone road.

The dirt highway which is being built to Keystone will open up a rich trade territory for Tulsa. From Keystone good roads stretch out to the western part of the state. Tulsa is the natural outlet for this country, but has been handleapped by poor roads this side of Keystone.

Work to Begin Soon.

Improvement work on the Ozark been created with the provision that been created with the provision that they might be filled without reference to the requirements of the civil serv-lee act. It has meant freedom to emlee act. It has meant freedom to embark the government in novel enter-prises in competition with private business as in the case of the govern-ment shipping bill."

BE TURNED DOWN

Episcopal Church Considering Forbidding Remarriage Ceremonies.

ST. LOUIS, Oct. 12.—Remarriage of divorced persons—one of the paramount issues before the Protestant Episcopal triennial convention pro-voked a spirited three-hour debate at oday's session of the house of depu-

After several vain efforts to bring After several vain enoris to uring to a vote a proposal to amond the canons of the church to provide that no divorced person having a partner still living shall have a wedding cere-mony performed by a clergyman of the church, further discussion of the lasue was postponed until next Sat-urday. The house of tishops, the upper house, announced it would con-sider the proposal when presented to

A score of clergymen and laymen arguing from scriptural and legal angles, participaated in the debate in the house of deputies, which began with the submission by the Reverent Charles F. J. Wrigley of Brooklyn of the report of the joint commission on legislation on matters relating to hely matrimony. This report recommended that the present canon of the church which permits a clergyman of the which permits a clergyman of the church which permits a clergyman of the church to perform the marriage ceremony in the case of the innocent party to a divorce, granted on statutory grounds, provided the case has the approval of the diocesan bishop, be changed to read:

changed to read:

"No marriage shall be solemnized in this church between parties either of whom has a husband or wife still living who has been divorced for any cause arising after marriage."

In presenting the report Dr. Wrigley intimated that the proposed canon would bring the church into harmony with the Roman Catholle church and that it would "protest against the most scandalous condition that ever existed in the United States." Other speakers urged that the proposed can-
